BLACK MEN OF SOUTH FLORIDA, INC.

On behalf of the 100 Black Men of South Florida, Inc. (100 BMSF), we invite you to become a Friend of the 100. The 100BMSF is a 501c3 organization devoted to improving the quality of life for under-served African-American youth - particularly young men - in the South Florida community.

During the past year, news outlets such as the New York Times, the Washington Post and Time Magazine have told the story of how scales of life are tipped heavily against young black men succeeding. The 100BMSF believes that we can help balance those scales and make a difference. Founded in 1989, the organization's membership consists of men from the African Diaspora dedicated to ensuring the educational, financial and social success of young black males. Through hard work and a commitment to our mission, we have been able to develop and establish multiple tutoring programs and a robust mentoring program, sponsor several community health fairs, and grant college scholarships to more than 40 current college students. We hope to build on these accomplishments in the coming year.

The organization would not be able to operate successfully without support from friends like you. As a Friend of the 100, your support will help us make a meaningful impact in the lives of African-American youth throughout the South Florida area.

You can contribute to Friends of the 100 by visiting www.100blackmensf.org, where you can make a contribution using a major credit card or you can mail a check or money order to 15150 NW 79th Court, Suite 195 ▪ Miami Lakes, Florida 33016

All donations are tax deductible and will help us nurture the potential greatness of our young men. Individuals and organizations .

In today's socio-economic climate, the mission of The 100 Black Men of South Florida, Inc. is even more critical.

Sincerely,

Damian E. Thomas, Esq.

President

Craig Emmanuel

Vice President of Development

ABOUT THE 100

For more than four decades, 100 Black Men chapters around the globe have touched the lives of more than 500,000 young people. Through the 100's Four For The Future: Mentoring, Education, Health and Wellness and Economic Development programs, young people are given a competitive edge.

With a mission to improve the quality of life of our citizens and enhance educational opportunities for African-Americans, our members continue to serve as a strong force for overcoming cultural and financial obstacles, the achievements of African-American youth, emphasizing young African-American males.

As a part of the 100 Black Men of America's "Four For The Future Initiative" Economic Development, Education, Health & Wellness and Mentoring, the South Florida Chapter is engaged in a targeted effort to provide holistic support for youth we serve.
